RE: NWIRP-Bethpage
Site Number: 130003B

Dear Mr. Colter:

Enclosed please find an original copy of the Record of Decision which has been signed by Mr. O'Toole.

The following typographical errors need to be addressed:

- In the declaration, and elsewhere, it should be noted that there is only one supply well at the Bethpage Water District's Plant #5.
- The second sentence of the sixth paragraph on page 11 should be placed in parentheses and appended to the end of the first sentence of that paragraph.
- There is a typographical error in the second sentence of the first paragraph in Appendix B.

If you have any questions regarding this matter, please feel free to contact me at (518) 457-3395.

Very truly yours,

A handwritten signature in black ink, appearing to read "John D. Barnes".
